

Newsletter n. 1/2011

Dear friends,

I have the pleasure to inform you that all the colleagues who successfully passed the final exams of the EMDOLA master have today a family where to continue their training and formation about laser dentistry.

In fact, the *Coordinator of the Master EMDOLA* mandates me to found the:

EMDOLA ACADEMY

The aims of the Academy are:

- To maintain the relationship and the friendship between the ex-students of EMDOLA.
- To support the clinical and basic research of its members
- To organize a general meeting every two years.

All the colleagues who have the title of Emdola Master are automatically members of the Academy and they will receive periodically the newsletter.

In EMDOLA website there is a section dedicated to the Academy which you may read to have informations.

First EMDOLA ACADEMY Meeting will be in Nice on 2012.

The EMDOLA ACADEMY Chairman

Prof. Carlo Fornaini
